CAREER OBJECTIVE

Second-year Computer Science Engineering student specializing in Artificial Intelligence and Machine Learning, with a growing foundation in full-stack web development and software engineering. Passionate about building intelligent, scalable applications and solving real-world problems through data-driven approaches. Actively strengthening technical skills through hands-on projects and hackathons, with the goal of contributing to impactful engineering teams through future internship and industry opportunities.

EDUCATION

Jaypee University of Information Technology (JUIT), Wagnaghat, Himachal Pradesh

2025 – 2029

Bachelor of Technology (B.Tech), Computer Science Engineering (Specialization in Artificial Intelligence & Machine Learning) | CGPA: 7.5/10

TECHNICAL SKILLS

Programming Languages: Java, C++, Python, JavaScript

Frontend: HTML5, CSS3, React.js

Backend: Node.js, Express.js

Databases: MySQL, MongoDB

Data Analysis: Pandas, NumPy

Developer Tools: Git, GitHub, VS Code

Concepts: Object-Oriented Programming (OOP)

PROJECT EXPERIENCE

Psychological Support Software for Students — Smart India Hackathon (SIH)

- Collaborated on the development of an interactive psychological support platform designed to improve student mental well-being.
- Engineered a responsive, user-friendly web interface using HTML, CSS, and JavaScript, ensuring smooth usability across devices.
- Integrated calming audio features to enhance the overall user relaxation experience.
- Curated and embedded psychological support videos and resource materials to provide accessible mental health support for students.
- Applied accessibility and usability best practices throughout the design and development process to maximize student engagement.

ACHIEVEMENTS

- Participant, Smart India Hackathon (SIH), a national-level government-organized hackathon for innovative tech solutions.
- Participated in multiple hackathons, demonstrating teamwork, problem-solving, and collaborative software development skills.

CERTIFICATIONS

- Google Data Analytics Professional Certificate — Coursera
- The Ultimate Web Development Bootcamp — Udemy

LANGUAGES

English, Hindi
